"Father of Indian Pharmacy Education"

On the occasion of the birth anniversary of **Dr. Mahadeva Lal Schroff**, celebrated as **National Pharmacy Education Day**, Chetana College of Pharmacy organized an Interclass Hand-Made Poster Presentation Competition on 6th March 2025. This event aimed to honor Dr. Schroff's contributions to pharmacy education in India and raise awareness of the essential role of pharmacy in healthcare.

The event was organized with the backing of the **Chetana Foundation**, under the leadership of **Mr. Uday Deshpande** (President), **Mr. Vilas Bhosale** (Secretary), and **Mr. Somnath Mane** (Treasurer), along with the dedicated faculty and enthusiastic students of **Chetana College of Pharmacy**. The competition was held with the guidance and support of **Dr. Mahesh Jadhav**, Principal of Chetana College of Pharmacy, and **Dr. Sujit Desai**, Vice Principal & Head of the Internal Quality Assurance Cell (IQAC), who both played a pivotal role in ensuring the event's success. The program aimed to unite students from various classes, providing them with a platform to creatively showcase their knowledge and insights on pharmacy-related topics through handmade posters. The competition was designed to not only encourage creativity but also to deepen students' understanding of the significant role pharmacy plays in healthcare and society, fostering a sense of pride and responsibility in their chosen field.

The students were tasked with creating posters on one of the following topics:

1. **Safe and Effective Medicines for All**
2. **Pharmacy: Always Trusted for Your Health**
3. **Pharmacy Strengthening Health Systems**

These themes were chosen to highlight the importance of the pharmacy profession in ensuring the availability of safe, accessible, and effective medicines, as well as the role of pharmacists in strengthening public health systems worldwide. The participants were allowed to use various art supplies, and the posters were judged based on creativity, relevance to the topic, clarity of message, and visual appeal.

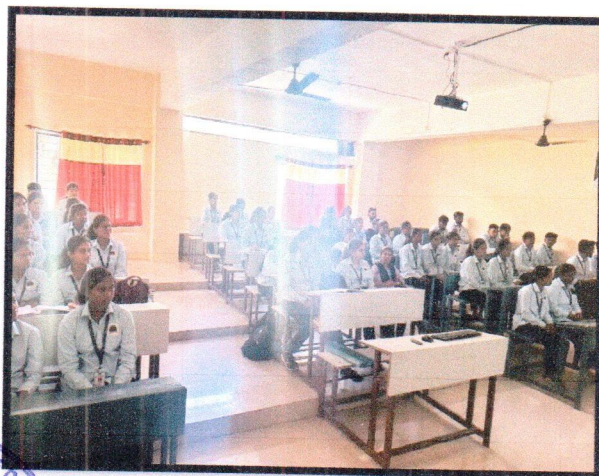

The posters were evaluated by a distinguished panel of judges, including:

- Dr. Sujit A. Desai, Vice Principal & Head, IQAC, Chetana College of Pharmacy
- Prof. Priyanka B. Parekar, HOD, Chetana College of Pharmacy

The judges appreciated the students' creativity and the thoughtful messages portrayed through the posters. They also highlighted how such events help students reflect on the impact of pharmacy on society and its role in improving healthcare.

At the conclusion of the competition, the winners were announced. The top three posters in each category were awarded certificates and prizes for their outstanding work.
